

Poorman's Sunshine

Donovan

From outo the darkness and into the light
From outo the darkness and into the light
From outo the blind and into the sight
From outo the darkness and into the light
I'm just a poorman's sunshine
From outo the darkness and into the light.

From outo the water and into the air
From outo the water and into the air
Outo the love and into the where
From outo the water and into the air
I'm just a poorman's sunshine (a poorman's sunshine)
From outo the water and into the air.

I'm just a poorman's sunshine (a poorman's sunshine).

From outo the street and onto the stage
From outo the street and onto the stage
Outo my head and onto the page
From outo the street and onto the stage
I'm just a poorman's sunshine (poorman's sunshine)
From outo the street and onto the stage.

Outo the Lincoln and into the Lear
It's outo the Lincoln and into the Lear
Away with the past, away with the fear
It's outo the Lincoln and into the Lear
I'm just a poorman's sunshine (poorman's sunshine, yeah).

A poorman's sunshine
A poorman's sunshine
A poorman's sunshine
A poorman's sunshine ...

I'm just a poorman's sunshine (a poorman's sunshine)
I'm just a poorman's sunshine (poorman's sunshine, oh yeah ...)
I'm just a poorman's sunshine (a poorman's sunshine, yeah)
I'm just a poorman's sunshine (poorman's sunshine, sunshine, ye
ah ...)
A poorman's sunshine
A poorman's sunshine.
