

# Shipwreck

Donovan

We filled our hearts with a cargo of smiles  
Set sail for the Happiness Isle  
On a course, a course so true  
Now the sky don't seem so blue.

Shipwrecked on the ocean of life  
Shipwrecked on the ocean of love  
Shipwrecked on the ocean of life  
Sadness-bound, heartbreak ahoy.

We said our love would weather the storm  
We had each other to keep us from harm  
And when we sailed through the Straits of Doubt  
You said you'd cast the sirens out.

Shipwrecked on the ocean of life  
Shipwrecked on the ocean of love  
Shipwrecked on the ocean of life  
Sadness-bound, heartbreak ahoy, heartbreak ahoy.

You said that I'd be a jolly jack tar  
Get spliced, go very far  
And when we rounded the Cape of Sighs  
You cast me away, love-shanghaied.

Shipwrecked on the ocean of life  
Shipwrecked on the ocean of love  
Shipwrecked on the ocean of life  
Shipwrecked on the ocean of love.

Shipwrecked on the ocean of life  
Shipwrecked on the ocean of love  
Shipwrecked on the ocean of life  
Shipwrecked on the ocean of love.
