

## Song For John

Donovan

You`re my singer  
Lemme be your song  
Celestial bodies  
They get along  
And I just want to sing along

You`re my single  
Lemme be your chart  
If you never make the hit parade  
You`re number one in my heart  
As long as I can play a part

Vegetarian by choice  
Not by fashion  
It`s not so much what you eat  
As what you balance on  
And watch me balance on

We`re playin` it now  
But you are not among us here  
To play like you know how  
Beg us to allow

You`re my singer  
Lemme be your song  
No matter what you want to do  
Let me pick along  
I just want to sing along

Country ladies  
Take us by the hand  
Soft eyed and cotton clothed  
Through Parrish meadowland  
And John and I can be the band
