

Song For John

Donovan

You`re my singer
Lemme be your song
Celestial bodies
They get along
And I just want to sing along

You`re my single
Lemme be your chart
If you never make the hit parade
You`re number one in my heart
As long as I can play a part

Vegetarian by choice
Not by fashion
It`s not so much what you eat
As what you balance on
And watch me balance on

We`re playin` it now
But you are not among us here
To play like you know how
Beg us to allow

You`re my singer
Lemme be your song
No matter what you want to do
Let me pick along
I just want to sing along

Country ladies
Take us by the hand
Soft eyed and cotton clothed
Through Parrish meadowland
And John and I can be the band
