

The Lullaby of Spring

Donovan

Spring has showered frae a drip
Splash and trickle running,
Plant has flowered in the sand
Shell and pebble sunning;

So begins another spring,
Green leaves under berries,
Chiff-chaff eggs are painted by
Mother bird eating cherries

In the misty, tangled sky,
Fast a wind is blowing
In a new born rabbit's heart
River life is flowing

So begins another spring,
Green leaves under berries,
Chiff-chaff eggs are painted by
Mother bird eating cherries

From the dark and wetted soil,
Petals are unfolding
From the stony village "Kirke"
Easter bells of old ring

So begins another spring,
Green leaves under berries,
Chiff-chaff eggs are painted by
Mother bird eating cherries

Spring has flowered frae a drip,
Slash and trickle running
Plant has flowered in the sun
Shell and pebble sunning

So begins another spring
Green leaves under berries,
Chiff-chaff eggs are painted by
Mother bird eating cherries
