The Pee Song

How much of a pee do you wee When you're little and you're only three? Do you wiggle and watch? Does it tiggle and splotch, Do you do like a dog on a tree When you're little and you're only three

How much of a pee do you wee When you're little and you're only three? Do you wiggle and watch? Does it tiggle and splotch, Do you do like a dog on a tree When you're little and you're only three

How much of a pee do you wee When you're little and you're only three? Do you wiggle and watch? Does it tiggle and splotch, Do you do like a dog on a tree When you're little and you're only three

Hu, hu, huf

How much of a pee do you wee When you're little and you're only three? Do you wiggle and watch? Does it tiggle and splotch, Do you do like a dog on a tree When you're little and you're only three
