

There Is a Mountain

Donovan

The lock upon my garden gate's a snail, that's what it is
The lock upon my garden gate's a snail, that's what it is
First there is a mountain, then there is no mountain, then there is
First there is a mountain, then there is no mountain, then there is

The caterpillar sheds his skin to find a butterfly within
Caterpillar sheds his skin to find a butterfly within
First there is a mountain, then there is no mountain, then there is
First there is a mountain, then there is no mountain

Oh Juanita, oh Juanita, oh Juanita, I call your name (Ah)
Oh,
The snow will be a blinding sight to see, as it lies on yonder hillside.

The lock upon my garden gate's a snail, that's what it is
The lock upon my garden gate's a snail, that's what it is
Caterpillar sheds his skin to find a butterfly within
Caterpillar sheds his skin to find a butterfly within

First there is a mountain, then there is no mountain, then there is
First there is a mountain, then there is no mountain, then there is
First there is a mountain, then there is no mountain, then there is
First there is a mountain, then there is no mountain, then there is
First there is a mountain
