

Tinker Tune

Donovan

You make a raggedy dress
Tatters suit ya the best
I'll make a raggedy song
Then we'll travel along

Sing-a-ling along
Traveling along
Sing-a-ling along
Traveling along

You play the fool in spoons
Dressed in stars and moons
I'll make the morning rise
Over your early day highs

Simplicity
Our philosophy

Oh, how happy we will be
Happy you and me
Oh, how happy we will be
Happy you and me

I'll make a lovely fire
Watch those flames grow higher
You cook a meal up hot
Sprinkle herbs in the pot

Yummy yummy yum
Gimme, gimme some
Yummy yummy yum
Gimme, gimme some

I'll make a bed of leaves
Under the piney pine tree
You sing a lullaby
Here we go, dreamy eyed
