

# Take Me in Your Arms

The Doobie Brothers

know you're leaving  
Leaving me behind  
I'm seeing you, darling  
For the very last time

Show a little tenderness  
Mama, before you go  
Please, let me feel  
Your embrace once more

Take me in your arms  
Rock me, rock me a little while  
Oh, with you, darling  
Rock me, rock me a little while

We all must feel  
Heartache sometime  
Right now, right now  
I'm feeling mine

I tried my best to be strong  
But I'm not able  
I'm like a helpless child  
Left in a cradle

Before you leave me  
Mama, leave me far behind  
Please, let me feel  
Happy one more time

Take me in your arms  
Rock me, rock me a little while  
Oh, with you, darling  
Rock me, rock me a little while

I'm losing you  
And my happiness  
My life is so dark  
I must confess

I'll never, never see  
Your smiling face no more  
I'll never, never hear  
Your knock upon my door

Before you leave me  
Leave me behind  
Please, let me feel  
Happy one more time

Take me in your arms  
Rock me, rock me a little while  
Oh, with you, baby  
Rock me, rock me a little while  
Oh, yeah yeah

I'm begging, little baby (take me)

Oh baby, please, yeah  
(Take me, take me, take me)  
Come on, baby (take me)  
Can't you see me on my knees now  
(Take me, take me, take me)

Come on, baby (take me)  
Baby, help, please  
(Take me, take me, take me)  
Coming to you, baby (take me)  
Oh baby, please, please, please

Take me in your arms  
Rock me, rock me a little while  
Oh, with you, darling  
Rock me, rock me a little while  
Come on, baby  
Rock me, rock me a little while  
Oh, with you, darling  
Rock me, rock me a little while
