

## America the Pitiful

Dope

Thoughts of prison lying in my bed  
Over visions dosing in my head  
I've already lost much more  
Than you could take from me

I've already been much more  
Than you will ever be

I don't need it, You don't want to find me  
I can see that, You don't even like me  
You don't even, You don't wanna fight me  
Man believe it, You ain't nothin' like me  
I've already told you once  
God damn stop pushin' me  
I don't wanna go, I don't wanna go,  
Come on let me be

I don't need it, You don't want to find me  
I can see that, You don't even like me  
You don't even, You don't wanna fight me  
Man believe it, You ain't nothin' like me

And we pledge allegiance to a flag  
Of a country that is fucked in the head

I don't need it, You don't want to find me  
I can see that, You don't even like me  
You don't even, You don't wanna fight me  
Man believe it, You ain't nothin' like me

Like me
