

## Debonaire

Dope

I don't need diamond rings or high priced suits that shine  
Limousines and flashy things or ancient bottled wine  
Designer names and lavish things and million dollar hair  
Bonny Dames without a brain, I never really cared

I don't care  
Nothin' about it

I don't care for glitzy things or a fancy neighborhood  
Glamor games or plastic fame or the king of Hollywood  
Dazzling flamboyant things or a top hat on my head  
Or modeling for magazines or to be a debonaire

I don't care  
Nothin' about it

I don't care  
Nothing about it

I don't care  
Nothing about it
