

## Everything Sucks

Dope

If somebody's askin I've gone away  
Yeah somebody's packin and gone today  
The sumer was lovely and I enjoyed my stay  
Maybe I'll be back one day  
Sorry to hurry but I'll miss my plane

Dont worry about me I'll be okay  
See ya the next time, maybe I'll stop by  
Maybe, Well, I'll try  
Hopefully but I guess  
I never cared that much  
I never kept in touch  
And most of all what really sucks is  
Everything and all of us

So and so called me yesterday  
So and so tells me thats me that so's okay  
I dont know took me far away  
Hopefully I'll be back one day  
So many places so many faces  
Everything changes and  
Everything's the same as  
So many places so many faces  
Everything changes  
Yeah typical I guess

I never cared that much  
I never kept in touch  
And most of all what really sucks is  
Everything and all of us

Everything sucks  
Everything sucks

I never cared that much  
I never kept in toch  
And most of all what really sucks is  
Everything and all of us
