

## Jenny's Cryin'

Dope

Just some one to hold and someone to hate  
And something to blame for all the pain

I could ignore her  
I could complain  
I never waited anything

Why  
She says,  
Everything is crashing down  
Why  
She says,  
Now the tears are falling down

Jenny is crying  
And I don't know why  
And her life's so insane  
So now Jenny is hating me

Just something to fill the nothing inside  
And something to make her nevercry  
Just something to thrill me something to hide  
And something to help her say goodbye  
Just something to kill me something to die  
And something to blow her head off why

Do you really wanna die  
Don't cry

Why are you so sad  
Why is life so bad  
You don't know what to do

Jenny!!!!  
Jenny is cryin' And I don't know why  
And her life's so insane  
So now Jenny is hating me  
Jenny is dying

And I don't know why  
And her life's so insane  
So now Jenny is hating me

Don't cry
