I don't know why
I'm paralyzed
If you don't get it you never will get it
If you just don't get it get out the way

Move
Motivation
Get into the groove
Motivation

I'm hypnotized
I don't know why I don't know
Why should I try
If you don't get it you never will get it
If you just don't get it get out the way

Get on your feet I don't know why
