

## Now Is the Time

Dope

Now is the time  
For me to step into your mind, listen up  
Cause now is the time  
For me to stand and be the one  
Second to none  
And time for you  
To stand and be  
The man that I am  
The man

Now is the time  
What are you waiting for

Now is the time  
For me to step into the light, step it up  
Cause now is the time  
Now is my time  
Now is our time  
Now is the time  
For me to stand up for the right  
And I'm ready and willing to fight  
For the master plan of the man  
With the jam has the upper hand  
Here I am

Now is the time  
What are you waiting for  
Now is the time

Now is the time  
For me to rise above the crowd  
And I'm doing it loud and proud  
For the master plan I begin  
With the jam here I am

Now is the time
