

## Now or Never

Dope

What'd you go and do that for  
I see the way you're  
Looking at me  
And I don't know why

I don't know and I'm not sure  
Have you lost your way  
Did you lose your mind  
Are you out of time  
You say goodbye  
Like everythings all right

If we go on it's now or never  
If we go on  
If we go on it's now or never  
If we go on

What'd you go and do that for  
I'm telling you so tell me  
What's it gonna be

I don't know and I'm not sure  
But sooner or later  
I wanna believe  
I wanna believe  
You say goodbye  
Like everythings all right  
It's now or never
