

## Shit Life

Dope

Simplistic, Domestic, Shit life processed to fit in place  
Pathetic, ascetic, shit life, depressed to fill in space  
Neglected, rejected, who wants this anyway

Defected, directed, hating life everyday  
Who asked you to cry for me  
Who asked you to lie for me  
Who knows who I wanna be  
You ask, but you dont ask me

She's pretty, how bout me, shit life  
Are looks all that you see  
Plastic, elastic, who wants this anyway  
Dynamic, satanic, and all the things you say

Who asked you to pray for me  
Who said to believe in me  
Who has to pretend for me  
I'm asking you answer me

You think you're something  
You're fucked in the head  
You think you're something  
Well I dont think so  
You think you're something  
You're already dead  
You think you're something  
Well I dont think so

Irritated, frustrated, shit life  
Wont hear a word I say  
Who asked you to write to me  
Who asked you to try for me  
Who asked you to live for me  
Who asked you anything
