Simplistic, Domestic, Shit life processed to fit in place Pathetic, ascetic, shit life, depressed to fill in space Neglected, rejected, who wants this anyway

Defected, directed, hating life everyday Who asked you to cry for me
Who asked you to lie for me
Who knows who I wanna be
You ask, but you dont ask me

She's pretty, how bout me, shit life Are looks all that you see Plastic, elastic, who wants this anyway Dynamic, satanic, and all the things you say

Who asked you to pray for me Who said to believe in me Who has to pretend for me I'm asking you answer me

You think you're something You're fucked in the head You think you're something Well I dont think so You think you're something You're already dead You think you're something Well I dont think so

Irritated, frustrated, shit life Wont hear a word I say Who asked you to write to me Who asked you to try for me Who asked you to live for me Who asked you anything
