

Sick

Dope

Here's to tomorrow baby
I'm feelin sick
Complain the whole world's angry
You make me sick
With each crime you proceed me
You stuck me with the rest
Everytime you mess with me
I'll put you to the test

Bang bang bang in your head fucker
Bang bang bang you're dead fucker

Here's to tomorrow maybe
I'm getting sick
For everytime you harass me
I'll put on in your head
I gave up on society
And everything you've said
Have it your way

Bang bang bang in your head fucker
Bang bang bang you're dead fucker

And you're dead fucker
