

## Wake Up

Dope

Dissolved the life in me  
You crawled inside of me  
You wanted everything  
You took it all from me  
You fucking talk to me  
So now I'm drunk and I'm miserable  
And I like it, oh yeah  
Hooked on junk and I'm pitiful  
And I like it, oh yeah

Wake up  
For what  
Wake up  
For what

I hear you're loney and miserable  
And I like it, oh yeah  
Hooked on junk and you're pitiful  
Do you like it, oh yeah

Wake up  
For what  
Wake up  
For what
