

You're Full of Shit

Dope

There's something about the way you walk
There's something about the way you bitch and you nag
And you talk, yeah you talk too much

There's something about you that makes me
Gotta get away, gotta get away yeah, yeah
There's something about you that makes me think
You're full of shit that's right

There's something about the way you smile, yeah
There's something about your dip shit stupid, dumb fuck style

There's something about you that makes me
Gotta get away, gotta get away yeah yeah
There's something about you that makes me think
You're full of shit that's right! Go fuck yourself!

There's something about you that makes me
Gotta get away, gotta get away yeah, yeah

There's something about you that makes me think
You're full of shit! You're full of shit!
Lemme hear ya
You're so full, full of shit that's right

You're so full, full of shit
You're so full, full of shit
You're so full, full of shit
