

You Spin Me Round

Dope

I, don't wanna know your name
And I, don't want your private number, baby.
All I know is that to me
you look like your lots of fun,
open up your lovin' arms
yeah I want some want some

I set my sights on you
(and no one else will do)
and I, I 've got to have my way now, baby.
All I know is that to me
you look like your lots of fun,
open up your lovin' arms,
watch out, here I come.

You spin me right round, baby, right round
like a record baby, right round round round.
You spin me right round, baby, right round
like a record baby, right round round round.

I, don't wanna be your friend now, baby
well I, I wanna movin' just a little bit closer.
All I know is that to me
you look like your lots of fun,
open up your lovin arms,
watch out here I come.

You spin me right round, baby, right round
like a record baby, right round round round.
You spin me right round, baby, right round
like a record baby, right round round round.

All I know is that to me,
you look like your lots of fun,
open up your lovin' arms,
watch out here I come.

You spin me right round, baby, right round
like a record baby, right round round round.
You spin me right round, baby, right round
like a record baby, right round round round.
