

All Alone

Doris Day

All alone, I'm so all alone
There is no one else but you
All alone by the telephone
Waiting for a ring, a ting-a-ling

I'm all alone every evening
All alone, feeling blue
Wondering where you are and how you are
And if you are all alone too

I wonder where you are (remember me)
and how you are (remember me)
And if you are (I love you) all
alone (I love you) too
