## I'll Never Stop Loving You

I'll never stop loving you Whatever else I may do My love for you Will live 'till time itself is through

I'll never stop wanting you And when forever is through My heart will beat The way it does each time we meet

The night doesn't question the stars That appear in the skies So why should I question the stars That appear in my eyes

Of this, I'm more than just sure My love will last and endure I'll never No, I'll never stop loving you **Doris Day**
