

# It Could Happen to You

**Doris Day**

It could happen to you  
Don't count stars or you might stumble  
Someone drops a sigh and down you tumble

Keep an eye on spring, run when church bells ring  
It could happen to you  
All I did was wonder how your arms would be  
And it happened to me

Keep an eye on spring, run when church bells ring  
It could happen to you  
All I did was wonder how your arms would be  
And it happened to me

It could happen to you  
Don't count stars or you might stumble
