

It's Easy to Remember

Doris Day

Your sweet expression
The smile you gave me
The way you looked when we met.
But so hard to forget.
I hear you whisper
"I'll always love you."
I know it's over, and yet,
But so hard to forget.

So I must dream
To have your hand caress me,
Fingers press me tight.
I'd rather dream
Than have that lonely feeling
Stealing through the night.
Each little moment
Is clear before me
And though it brings me regret
But so hard to forget.
