

Let It Snow! Let It Snow! Let It Snow!

Doris Day

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stopping
And I've bought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snow

When we finally kiss goodnight
How you'll hate going out in the storm
But if you'll really hold me tight
All the way home you'll be warm

The fire is slowly dying
And, dear, we're still goodbying
But as long as you love me so
Let it snow, let it snow, let it snow

But if you'll really hold me tight
All the way home you'll be warm

The fire is slowly dying
And, dear, we're still goodbying
But as long as you love me so
Let it snow, let it snow
