

Love Me in the Daytime

Doris Day

Love me in the daytime
Love me in the nighttime
Anytime you love me
Baby, that'll be the right time

Put your arms around me
When the lights are low
Hug with the bearhug
Never let me go

Because I'm never, ever gonna
Get enough of you, you, you
No, I'm never, ever gonna
Get enough of you

We're as many as a million
Red hot kisses overdue
And I'm never, ever gonna
Get enough of you

I know I've had
My fill of dancing
When my tired twinkletoes
Begin to ache

I know I've satisfied
My sweet tooth
When I tell the waiter
He can take the cake

I know I'm loaded up
With champagne
When my brain begins
To do a spineroo

But as long as I keep living
I'll take anything you're giving
Cause I'm never, ever gonna
Get enough of you

Love me in the daytime
Love me in the nighttime
Anytime you love me
That'll be the right time

Put your arms around me
When the lights are low
Hug with the bearhug
Never let me go

Because I'm never, ever gonna
Get enough of you, you, you
No, I'm never, ever gonna
Get enough of you

We're as many as a million
Red hot kisses overdue

And I'm never, ever gonna
Never, ever gonna
Never, ever gonna
Get enough of you

You
