## **Meditation**

**Doris Day** 

In my loneliness, When you're gone and I'm all by myself and I need your caress, I just think of you, And the thought of you holding me near Makes my loneliness soon disappear.

Though you're far away, I only have to close my eyes and you are back to stay. I just close my eyes, And the sadness that missing you brings Soon is gone, and this heart of mine sings.

Yes, I love you so, And that for me is all I need to know.

I will wait for you, Till the sun falls from out the sky, for what else can I do? I will wait for you, Meditating how sweet life will be When you come back to me.
