## **Over the Rainbow**

When all the world Is a hopeless jumble And the raindrops tumble all around Heaven opens a magic lane

When all the clouds darken up the skyway There's a rainbow highway to be found Leading from your window pane To a place behind the sun just a step beyond the rain

Somewhere over the rainbow Way up high There's a land that I heard of once In a lullaby

Somewhere over the rainbow Skies are blue And the dreams that you care to dream Really do come true

Someday I'll wish upon a star And wake up where the clouds are far behind me Where troubles melt like lemon drops way above the chimney tops That's where you'll find me

Somewhere over the rainbow Bluebirds fly Birds fly over the rainbow Why then oh why can't I?

If happy little bluebirds fly over the rainbow Why oh why can't I?
