

## Remind Me

Doris Day

Remind me not to find you so attractive  
Remind me that the world is full of men  
When I start to miss you, to touch your hand, to kiss you  
Remind me to count to ten

I had a feeling when I met you  
You'd drive me crazy if I let you  
But all my efforts to forget you  
Remind me I'm in love again

Not to mention that I love you

To be sorry that we met  
Although I adore you, remind me to ignore you  
You're one thing I will regret  
So when your charm begins to blind me  
I'll simply tie my hands behind me  
Don't let me kiss you, please remind me  
Unless, my darling, you forget
