

# Roly Poly

Doris Day

There's a Guy in this old town  
I'm tellin' you a fact  
He measures five feet up and down  
And five feet front and back  
He's a Roly Poly Baby  
Pleasin' as they come  
He's a Roly Poly Baby  
A Ton of Fun

They call him  
Ya Ya Roly Poly  
Ya Ya Roly Poly  
Ya Ya Roly Poly  
Ya Ya Roly Poly  
Ya Ya Roly  
Ya Ya Poly  
Ya Ya Roly Poly

When I first laid eyes on him  
I laughed just like the rest  
The more I saw the more of him  
The more I liked him best  
Got a Roly Poly Baby  
Point to him with pride  
He's my Roly Poly Baby  
I'm satisfied

I call him  
Ya Ya Roly Poly  
Ya Ya Roly Poly  
Ya Ya Roly Poly  
Ya Ya Roly Poly  
Ya Ya Roly  
Ya Ya Poly  
Ya Ya Roly Poly

Just to put my arms around him  
Takes about a week  
But when I get my arms around  
We cuddle cheek to cheek  
Got a Roly Poly Baby  
Sweet as Apple Pie  
He is just a Roly Poly  
But so am I

I call him  
Ya Ya Roly Poly  
Ya Ya Roly Poly  
Ya Ya Roly Poly  
Ya Ya Roly Poly  
Ya Ya Roly  
Ya Ya Poly  
Ya Ya Roly Poly  
Ya Ya Roly Poly
