

## Softly, as I Leave You

Doris Day

Softly I will leave you softly  
For my heart would break if you should wake and see me go  
So I leave you softly long before you miss me

Long before your arms can beg me to stay  
For one more hour or one more day  
After all the years I can't bear the tears to fall so  
Softly, as I leave you there  
Softly I will leave you softly

For my heart would break if you should wake and see me go  
So I leave you softly long before you miss me  
Long before your arms can beg me to stay  
For one more hour or one more day  
After all the years I can't bear the tears to fall so  
Softly, as I leave you there...
