Tea for Two

Oh, honey Picture me upon your knee With tea for two and two for tea Just me for you and you for me alone

Nobody near us to see us or hear us No friends or relations on weekend vacations We won't have it known, dear That we own a telephone, dear

Day will break and I'll awake And start to bake a sugar cake For you to take, for all the boys to see (Oh, darling)

We will raise a family A boy for you and a girl for me Can't you see how happy we will be?
