

## The One I Love (Belongs to Somebody Else)

Doris Day

When days are long and nights are lonely  
And all my daydreams have gone astray  
I think about the one and only  
Who's bound to find me some golden day

The one I love is coming along some day  
And I'll have none except the one I love  
He/She may be near or ever so far away  
But I'll have none except the one I love

And though our meeting is left to chance  
Until our meeting  
I still will have my dream romance  
And through the night I pray to the moon above  
To please be kind and find the one I love
