

The Song Is You

Doris Day

I hear music when I look at you
A beautiful theme of every dream I ever knew
Down deep in my heart, I hear it play
I feel it start then melt away

I hear music when I touch your hand
A beautiful melody from some enchanted land
Down deep in my heart, I hear it say
Is this the day?

I alone have heard this lovely strain
I alone have heard this glad refrain
Must it be forever in side of me

Why can't I let it go?
Why can't I let you know?
Why can't I let you know
The song my heart would sing?

That beautiful rhapsody
Of love and youth and spring
The music is sweet the words are true
The song is you
