## You're Getting to Be a Habit with Me

Every kiss Every hug Seems to act Just like a drug You're getting to be A habit with me Let me stay In your arms I'm addicted To your charms You're getting to be A habit with me I used To think your love Was something I could take Or leave alone But now I couldn't do Without my supply I need you for my own Oh I cant break away I must Have you everyday As regularly As coffee or tea You've got me In your clutches And I cant break free You're getting to be

A habit with me
