

# Alive

Doro

All alone, and night is falling  
All along, I hear you calling  
Telling lies, and sad goodbyes  
The secrets will be safe inside of me  
As long as I'm alive  
You'll always be a part of me  
As long as I'm alive  
As long as I'm alive  
For you I'll always keep the fire burning  
Inside  
I will keep this love alive  
Let our souls be the first we satisfy  
I will keep this love alive  
Oh let our hearts be the only guide we follow  
Everybody knows, you can't build a wall around us  
I believe, time will tell  
Our hearts will stay forever locked together  
As long as I'm alive  
For you I'll always keep the fire burning  
Inside  
Ahohoh I will keep this love alive  
Let our souls be the first we satisfy  
I will keep this love alive - ohohoh  
Let our hearts be the only guide we follow  
As long as I'm alive  
As long as I'm alive  
For you I'll always keep the fire burning  
Inside  
Ohoh I will keep this love alive  
Let our souls be the first we satisfy!  
I will keep this love alive - ahahohohoh  
Let our hearts be the only guide we follow  
As long as I'm alive - yeah! (ahah)  
Oh!
