You see me out of the... smooth like...
Cool like Christmas...
You ain't... the way I'm in the zone,

Don't spill my drink in the club,
Cause even if I'm though I'm own, niggers still get hood,
Looking in my body... got me...
Fucking dollar bill I'm making...

I hope I don't spill my drink, spill my drink,
Looking for... make me feel my...
Haters looking... trying see...
So they can take my... try to steal my...
If you spill my drink by a whole...
... and a couple big...
Clear up... and the body on the floor,
... but we still don't...
One more time, one more time,
... just blind,
Are you niggers... movie
Can't fool me... five bitch

Two more drinks and I'm... like Snooby,
One more time.

Don't spill my drink, don't spill my drink,

Don't spill my, spill my, spill my drink.

Don't spill my drink in the club,

Cause even if I'm though I'm own, niggers still get hood,
Looking in my body... got me...
Fucking dollar bill I'm making...
