

# Never Changed

Dorrough

I can't believe that we done fell off  
Some times I sit back and reminence bout the times we was young  
From the times we were smaller  
All winters and summers  
Now you ain't here wen it's sunny  
But you was there in the thunder  
My nigga just think back 2 all them times we used 2 kick it  
But now we only kick it everyother blue moon  
And a lot of that is my fault  
But a lot of that is yo fault  
It's all good we both off  
Now we don't even talk  
Naw that ain't even how we get down  
My nigga we need 2 sit down  
Shit everytime we hit town 2 kick it  
And visit so everything is everclear  
My nigga I'm forever here  
I don't ever wanna have to hear  
U just sittin down here, jackin down here, checkin down here strugglin down  
here till u realize there ain't nuthin down here  
And if it's 1 thing u remember if nuthin else bro I got your back  
Big bro I got your back and that a fact

[Chorus:]

My nigga my bro  
Wether we rich or we po'  
Later on now and befo'  
I just want u to kno  
This shit and never changed [x3]  
Me I'm just happy to kno  
I could depend on my bro  
If I was down on the flo  
And had nowhere else to go  
This shit ain't never changed [x2]

Listen, u my nigga my bro  
Wether we rich or we po'  
Later on now and b4  
And I just want u 2 kno  
That I'm just happy 2 kno  
I culd depend on my bro  
F I was down flat on my face  
And had nowhere else to go  
I culd just pick up my fone  
If sumthin ever go wrong  
My nigga hit me  
Till the day we 6 feet  
B4 the fame b4 the game  
My nigga u was with me  
Talkin 2 all my niggas we was riddin round 6 deep  
No homo but this money done came between us  
My baby girl growin up ain't u and even much seen her  
It's funny the savage ways of money  
And u and I both kno that niether of our mommas raised dummies  
If the knew we wasn't talkin like we used 2  
Or chillen like we used 2  
They wuldnt like it much cause seein us was all they was eva used 2

4real but it don't even matter tho  
Cause I kno that u kno that we kno  
That we both ain't got nuthin but love 4 eachotha

[Chorus:]

My nigga my bro  
Wether we rich or we po'  
Later on now and befo'  
I just want u to kno  
This shit and never changed [x3]  
Me I'm just happy to kno  
I could depend on my bro  
If I was down on the flo  
And had nowhere else to go  
This shit ain't never changed [x2]

[Hook:]

B4 we was chasin these dollas  
Makin these dollas  
And prior take it way back  
Take it all the way back [x4]  
B4 we was chasin this money  
B4 we was makin this money  
It's funny  
Take it way back  
Take it all the way back [x4]

Take it back 2 b4 we was ballin  
2 b4 u was hustlin  
Back wen we was ballin (hoopin)  
Everyday cruisin  
B4 we took doves we spent both our days loosin  
Back then it was cool tho  
Both of use was fools tho  
Basketball and pullin hoes was all we went 2 school 4  
And lookin back I'm just happy I had a patna that would always ride 4 me  
And looked out 4 me  
Regardless

[Chorus:]

My nigga my bro  
Wether we rich or we po'  
Later on now and befo'  
I just want u to kno  
This shit and never changed [x3]  
Me I'm just happy to kno  
I could depend on my bro  
If I was down on the flo  
And had nowhere else to go  
This shit ain't never changed [x2]
