Ringgg...  
Hello?

This time you was wrong,  
I ain't had no bitch, no trick, no hoe all over my dick.  
This time you was wrong! You say you got evidence, fuck that girl you kno yo  
u ain't really got shit  
This time you was wrong,  
I kno them other times you caught a nigga cheatin red handed yeah girl I adm  
it it.  
This time you was wrong,  
Make a nigga wanna holla. (Oh Lord)  
I ain't never met a bitch that tried to swallow so hard

As soon a nigga fall asleep you all in a nigga phone I swear you can't wait  
to catch a nigga doin wrong,  
You lookin under rocks tryinna find a dirty stone  
Before you catch me in da A you prolly see me up and gone  
And girl I ain't tryinna leave me and you alone  
Buh girl I'm sick and tired of all this petty shit you on.  
So before you fuck it up you better listen to this song, cause wen I choose  
ta uo and leave you gon swear I did you wrong.  
Yeah I did alota dirt back then I admit but don't forget you did alota shit  
a nigga won't forget.  
Cause I'm tired of the fightin, the drama, the shit  
Should I leave, should I peel like a bananna and split.  
And girl I'm a warn you one time, this the last time next time I'm a be lame  
{Na- Na- Na- Na}  
Make a nigga wanna holla (Oh Lord)  
I ain't neva met a bitch that tried ta swallow so hard.

This time you was wrong,  
I ain't had no bitch, no trick, no hoe all over my dick.

Girl witchu it's neva endin, everyday is like a game,  
Don't matter how we do it everyday I'm in the same.  
All that internet bullshit drivin me insane  
Tell your sun thanks for grinnin, it's gon leave you in the rain  
And girl I ain't sayin I'm caught up in the fame,  
Buh chu gotta understand you ain't fuckin with a lame.  
So wen these bitches flip down and try ta sabotage my name  
You should'ntleave and get to trippin you should recognize the game cause yo  
u kno these hoes choosin and I kno these hoes fake buh see you listen to you  
r friends and that right there be there your mistake  
Plus I'm tired of all the stressin,  
The re-  
little I can take, can I live, can I breath should I leave should I stay.  
And girl I'm a warn you one time, this the last time next time I'm a be lame

(Na-Na-Na-Na)

Make a nigga wanna holla (Oh Lord)  
I ain't neva met a bitch that tried ta swallow so hard.

You had me with a throw da towel in give it up  
Cause you ain't gonna be satisfied till I go  
You make me wanna take away my love keyisha askin bout nowbgirl buh I ain't  
trynna put on now show  
You make me wanna walk right out that door  
You make me wanna walk right out that door  
You make me wanna pack my shit  
And wen I pack my shit girl I ain't comin back no more  
Yeah you best believe that  
Girl you causin me ta stress one thing that I suggest I think you should inv  
est  
You best believe that  
The main problem to adress you don't kno that you posessed and that's why we  
don't progress  
And you best believe that  
I'm a take my time till I make my mind,  
Should I stay should I go (Na-Na-Na-Na)  
You make a nigga wanna holla (Oh Lord)  
I ain't neva met a bitch that tried ta swallow so hard.
