Cause lets get a little rewind  
Cause shes naked on the dance floor  
I saw her eyeing me earlier  
Ahh when i think i just  
I walk up to her  
Hi baby whats your sign?  
Whats your number  
Heres my phone just put it in  
She told me what she was drinking  
Told her what i was thinking  
I got another drink  
And i got another drink  
I got her hooked like that  
Now we're in the car and she can't keep her hands to herself  
Now we're at my house and I cant keep my hands to myself.
