

# Illusion

Dotan

My soul has left my body  
I'm floating high above  
I lost the sense of time  
Trying to follow the line  
Put your arms around me  
We can fly through the night

There's more to life  
There's more to see  
Can I touch what's in front of me  
Show me the place to find the truth

We're in a place  
That no one knows  
Is this a dream or reality  
In the shadow of illusion

Running in circles waiting  
Tuning out my mind  
I'm caught up in a sound  
Trying to get off the ground  
Hold on tight follow the light  
'Cause we are going down

There's more to life  
There's more to see  
Can I touch what's in front of me  
Show me the place  
To find the truth

We're in a place that no one knows  
Is this a dream or reality  
In the shadow of illusion

Holding on  
Almost gone  
Running around  
Running running running around  
Don't wake me up

There's more to life  
There's more to see  
Can I touch what's in front of me  
Show me the place  
To find the truth

We're in a place  
That no one knows  
Is this a dream or reality  
In the shadow of illusion
