Let It Be Me

Dottie West

I bless the day I found you I want to stay around you And so I beg you let it be me

Don't take this heaven from one If you must cling to someone Now and forever let it be me

Each time we meet love
I find complete love
Without your sweet sweet love
What would life be?

So never leave me lonely
Tell me you love me only
And that you'll always let it be me
Now and forever let it be me
