

Froyo Yolo

Dove Cameron

Strawberry, or vanilla?
(Gasp!!!) Swirl!

It's been a good day, it's time to go cray-cray
My friends all know the right a-words to say
Our phones are blowing up, texting om-nom alert
And we're rolling up the frozen yo-yo-yo-yo-yogurt

We all know the place where you mix your own cup
The cute boys hang there and we all shout 'SUP'

I love FROYO, oh, oh, oh-oh
It's so YOLO, oh, oh, oh-oh, oh-oh

Frozen yogurt is my favorite treat,
Sweet and yummy, froyo's all I eat
'Cause you only live once

Monday I'm chocolate, start the week off right
Tuesday I'm key-lime, and I party all night
Wednesday I'm berries, and nothing's the matter
Do it up Thursday with my homemade cake batter
Friday, hold up-listen to what I say
Froyo rocks but it's not for every day,

I love FROYO, oh, oh, oh-oh
It's so YOLO, oh, oh, oh-oh oh-oh

Frozen yogurt is my favorite treat,
Sweet and yummy, froyo's all I eat
'Cause you only live once

BRAIN FREEZE!!
Lemon, coconut, strawberry, and lime
You pick a froyo while I rhyme
Banana, cherry, there ain't no stoppin'
I can mix 'em up, try all the toppings
Daz-a-licious,
All in my bowl
Try some froyo yolo, yo

You know I always want some more
(Some more)
When I'm at the froyo store
(Yo store)
I can always eat some more
(Some more)
When I'm at my favorite store

I love FROYO, oh, oh, oh-oh
It's so YOLO, oh, oh, oh-oh oh-oh

Frozen yogurt is my favorite treat,
Sweet and yummy, froyo's all I eat

'Cause you only live once
