

What A Girl Is

Dove Cameron

On a scale from 1-10, I am perfect like I am.
I don't need your number, we don't need your number.
And the stupid magazines, want me to change my everything.
It don't even matter, they're not taking my power.
I'm so over all of these voices around, they've said enough it's
my turn let's get loud.

I'll show you what a girl is, 'cause all of me is perfect.
Who cares about the dress size, it's all about what's inside.
I'll stand up now, and won't back down.
Were breaking through the surface, to show you what a girl is.

We are flawless in our skin, your words don't mean anything.
I'm done wasting my time, I can make up my own mind.
I'm so over all of these voices around, they've said enough it's
my turn let's get loud.

I'll show you what a girl is, 'cause all of me is perfect.
Who cares about the dress size, it's all about what's inside.
I'll stand up now, and won't back down.
We're breaking through the surface, to show you what a girl is.

You are exactly what you're made to be, I swear.
Don't be afraid just to put yourself out there.

It's pretty clear that you won't see us on the sidelines.
Were gonna take it over standing like a high-rise.
And if you ever doubt what a girl can do, sit back and let us show
you, it's been really nice to know you.
No doubt, were a force that's undeniable.
Get together we'll work this house right down on you.
I've got a feeling that were gonna be there for you.
Sit back and let us show you cause the girls are taking over.

On a scale from 1-10, I am perfect like I am.
I don't need your number, we don't need your number.

I'll show you what a girl is, cause all of me is perfect.
Who cares about the dress size, it's all about what's inside.
I'll stand up now, and won't back down.
Were breaking through the surface, to show you what a girl is.
