

## Ambition

Doves

So ambition cut you down  
Ain't a love as perfect  
Everybody knows it  
Something drove you down

Something as good  
Something new  
Somebody good  
Our ambition cuts us down

There's not a love that's perfect  
But I, I live in hope

Somebody good  
Somebody new  
Something as good  
Something that's mine

Ain't a love that's perfect  
Everybody knows it  
Ambition cuts us down
