

Down to Sea

Doves

Drive with me
Do the things, you won't believe
Drive with me
Past the city and down to sea
Crushin' dreams
Leave me be, I cannot sleep

Drive with me
Do the things, you won't believe
Drive with me
Past the city and down to sea
Crushin' dreams
Leave me be, I cannot sleep

Oh, it's the pain
It's ingrained in me
Oh, soothe my pain
It's ingrained in me
