

There Goes The Fear

Doves

Out of here
We're out of here
Out of heartache
Along with fear
...fear

There goes the fear again
There goes the fear
And cars speed fast
Out of here
And life goes past
Again so near

There goes the fear again
riff1
There goes the fear

Close your brown eyes
And lay down next to me
Close your eyes, lay down
'Cos there goes the fear
Let it go

You turn around and life's passed you by
You look to those you love to ask them why
You look to those you love to justify
You turned around and life's passed you by Passed you by, again

And late last night
Makes up her mind
Another fight
Left behind
There goes the fear again, let it go
There goes the fear

Close your brown eyes
And lay down next to me
Close your eyes, lay down
'Cos there goes the fear
Let it go

You turn around and life's passed you by
You look to ones you love
To ask them why ?
You look to those you love
To justify
You turned around and life's
Passed you by
Passed you by, again

Think of me when you're coming down
But don't look back when leaving town
Think of me when he's calling out
But don't look back when leaving town
Think of me when you close your eyes
But don't look back when you break all ties
Think of me when you're coming down

But don't look back when leaving town today

There goes the fear again, let it go
There goes the fear, let it go

Think of me when you close your eyes
But don't look back when you break all ties
Think of me when you're coming down
But don't look back when leaving town today
