Valley

On the day the bailiffs came Took the keys away Took their home away

And honestly They felt ashamed They couldn't foresee it They couldn't believe it

In the hills The October fields Such a secret And who would believe it

It's a great day for the valleys
It's a great day for them all

She takes her time Sings of the love No one believed her She made the tea Left all the the keys She's such a seeker And no one believed her

It's a great day for the valleys
It's a great day for them all
It's a great day
It's a new day
For them all (ooh x 4)

It's a great day for the valleys
It's a great day for them all
It's a great day
It's a new day
For them all (ooh x 4)
